

# Evan Gillogley

---

## Objective

As a student, filmmaker, and athlete, I am productive and hard working individual who never leaves a project incomplete. I am devoted to education as am devoted to filmmaking because they come hand-in-hand. In the last 2 years, I have focused more on my passion, filmmaking, and my education because that is where the rest of my life leads me.

## Experience

2007 and 2008 Our Lucky Planet Day/ City of Sacramento

Sacramento, CA

Created 2 Energy Conservation Films

- Directed a cast of 15+
- Researched various local and global environmental issues.
- Shot, edited, and distributed the films

Job Safety PSA Award

SEVA AWARD for Our Lucky Planet">

## FILM/VIDEO PORTFOLIO

July 2009, *The Sunset Rider*, digital video, 11 minutes. Position: writer/director/editor. A drama about a lonely young teen named Aton Dismas bikes everyday to the best sunset spot in the neighborhood, hoping for a better future, friend, or relationship.

March 2009, *Be Safe At Work*, digital video, 30 seconds. Position: writer/director/editor. A creative PSA short on job safety that only has 2 shots. "Honorable Mention" in the 2009 UC Berkeley Job Safety PSA contest.

January 2009, *Dropouts*, digital video, 8 minutes. Position: camera operator/assistant editor. A documentary on high school dropouts and how America can solve the problem. "Honorable Mention" in C-SPAN National Documentary competition and Sacramento Educational Video Awards (SEVAs).

November 2008, *Communication Induces Revelation*, digital video, 2 minutes. Position: writer/director/editor. A short PSA about how communication is important in our society. Made for Sparky Communication Awards.

August 2008, *Cooling the Brain*, digital video, 4 minutes. Position: writer/director/editor. A comedic short on a person who has never yawned before and plans to learn how. Made for California State Summer School for the Arts Final Project.

July 2008, *Calingo*, Super 8 (8mm), 3 minutes. Position: writer/director/editor/music. A short film analyzing and comparing Northern and Southern California's diversity in slang. Made at California State Summer School for the Arts.

July 2008, *Le Blob*, 16mm Collage, 2 minutes. Position: director/writer/16mm editor/music. A metaphorical statement on global warming by using a blue blob and match cuts on 16mm film. Made at California State Summer School for the Arts.

July 2008, *What is Evan*, digital video, 2 minutes. Position: writer/director/music/editor. A self portrait of myself at the age of 16 and how my family contributes towards my life. Made at California State Summer School for the Arts.

July 2008, *Our Lucky Planet 2: Don't Be A Drip*, digital video, 15 minutes. Position: writer/director/editor. A second installment to the Our Lucky Planet energy conservation videos made for Sacramento Parks and Recreation and focusing on water conservation.

February 2008, *On the Flight of Knowledge*, digital animation, 30 seconds. Position: writer/director/musician. A short PSA on enlightenment and how dreams can become reality through education. Won "Scholarshare Scholarship Video award" from Scholarshare.

December 2007, *Whited Out*, digital video, 7 minutes. Position: writer/director/co-musician. A short on a spoiled 18-year old adolescent who thrown out onto the streets and faces the real world. Made for Youtube Project Direct Competition.

July 2007, *Our Lucky Planet*, digital video, 12 minutes. Position: co-writer/director/musician/editor. An energy conservation documentary that is directed towards the youth and focuses on all sorts of alternatives to conserve energy. Won "BEST High School Documentary" at the SEVAs and made for Sacramento Parks and Recreation.
